Dear Mr. Rodriguez:

STAT Thank you for your letter of March 21 informing me of the nomination by the Central Intelligence Agency of Messrs. [redacted] to attend the Eighteenth Senior Seminar in Foreign Policy, September 2, 1975 to June 25, 1976. I accept with pleasure the nomination of these two officers, whose records certainly suggest they will be both recipients and contributors of the unusual benefits you will agree attach to the Seminar.

This has certainly been the case this year with the Agency's representation as evidenced by the active participation in the Seminar's activities. We are of course delighted that you continue to send us officers of such caliber.

I will be writing directly to the new nominees and look forward to meeting them personally in the not-so-distant future. Meanwhile, would you be good enough to have your office complete the enclosed "Request for Training" forms and return them to the Foreign Service Institute.

With the renewed expression of appreciation for the fine cooperation we continue to enjoy with the Agency,

Sincerely,
